This appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the 2019 Annual General Meeting in relation to the Proposed Buy-back Mandate.

(1) SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 7,294,369,363 Shares. Subject to the passing of the resolution granting the Proposed Buy-back Mandate and on the basis that no further Shares will be issued or bought back before the 2019 Annual General Meeting, the Company will be allowed to buy-back a maximum of 729,436,936 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

(2) SOURCE OF FUNDS

Buy-backs must be funded out of fund legally available for the purpose and in accordance with the Articles and the laws of Hong Kong, the jurisdiction in which the Company is incorporated.

(3) REASONS FOR BUY-BACKS

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to buy-back its Shares on the Stock Exchange. Such buy-back may, depending on market conditions, and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and, or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

The Directors have no present intention to buy-back any Shares and they would only exercise the power to buy-back in circumstances where they consider that the buy-back would be in the best interests of the Company. The Directors consider that if the general mandate to buy-back Shares were to be exercised in full at the currently prevailing market value, it would have a material adverse impact on the working capital position and gearing position of the Company, as compared with the positions disclosed in the audited consolidated accounts of the Company for year ended 31 March 2019, being the date to which the latest published accounts of the Company were made up. The Directors do not propose to exercise the general mandate to buy-back Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

(4) SHARE PRICES

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 months immediately preceding the Latest Practicable Date:

Month	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>

August	0.174	0.157
September	0.165	0.149
October	0.255	0.153
November	0.300	0.175
December	0.305	0.260
2019		
January	0.300	0.230
February	0.250	0.230
March	0.246	0.230
April	0.240	0.210

July (up to and including the Latest Practicable Date)	0.225	0.195

(5) GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their associates currently intend to sell any Shares to the Company or its subsidiaries in the event that the Proposed Buy-back Mandate is approved.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Proposed Buy-back Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Proposed Buy-back Mandate is approved by the Shareholders.

Pursuant to Rule 32 of the Code, if as a result of a buy-back of Shares pursuant to the Proposed Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Code. Accordingly, a Shareholder or a group of Shareholders acting in concert

(within the meaning under the Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Mr. Jiang Zhaobai ("Mr. Jiang"), an executive Director and the chairman of the Company, is deemed to be interested in 1,742,300,000 Shares, representing approximately 23.89% of the total number of issued shares of the Company, and was a substantial Shareholder. The interest include: (i) 1,033,300,000 Shares held by Rich Monitor Limited; and (ii) 709,000,000 Shares held by Pengxin Holdings Company Limited, the entire issued share capitals of Rich Monitor Limited and Pengxin Holdings Company Limited are held by Mr. Jiang. By virtue of the SFO, Mr. Jiang is therefore deemed to have an interest in the Shares in which Rich Monitor Limited and Pengxin Holdings Company are interested. In the event that the Directors exercise the Proposed Buy-back Mandate in full and assuming that there is no change in the issued share capital of the Company and the number of Shares held by Mr. Jiang, together with his close associates, remain unchanged, the interests of Mr. Jiang in the issued share capital of the Company would be increased to approximately 26.54%. Accordingly, such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Code. The Directors have no present intention to exercise in full the power to buy-back Shares proposed to be granted pursuant to the Proposed Buy-back Mandate.

The Listing Rules prohibit a company from making buy-back on the Stock Exchange if the result of the buy-back would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to buy-back Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

The Company had not bought back any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.
